Judge Coatsworth,

Osgoode Hall,

Toronto.

Dear Judge Coatsworth:

Professor Benzinger desires to go to the United States next week with a view to finding an opening in one of the Colleges. He has handed me his resignation, but until it is accepted by the Board of Governors on the 14th of January, he cannot ask to be allowed to leave permanently. Meantime I hope that you will grant him permission to leave the country for the purpose I have mentioned above.

Yours sincerely,

President.
